Arrow to Dedicate Headquarters Building in Honor of Laura and George Pontikes

May 13, 2025 - Spring, TX— On Monday, May 19, Arrow Child & Family Ministries will host a special building dedication ceremony at its headquarters, honoring Laura and George Pontikes for their steadfast commitment to Arrow's mission of helping kids and strengthening families.

The celebration will recognize the Pontikes' support during a transformative renovation of Arrow's headquarters.

Originally built more than two decades ago, the facility required and received critical upgrades made possible through contributions organized by Satterfield & Pontikes, the construction firm co-founded by Laura Pontikes. The company partnered with vendors and industry professionals—breathing new life into Arrow's home base.

This building represents more than walls and offices—it's a space that reflects the heart of our mission. This dedication honors those who have helped shape that mission with unwavering commitment.

Laura Pontikes, who joined Arrow's Board of Directors in January 2024, brings more than three decades of experience in the construction industry. As founder of Satterfield & Pontikes, now the Executive Vice President of Corporate Services, she has played an integral role in growing the company from a start-up to a \$1 billion enterprise. Her deep expertise spans financial and project analysis, mentoring subcontractors and leading award-winning construction efforts. She is also a champion for youth and families, actively involved in numerous organizations.

Arrow's building dedication falls during National Foster Care Awareness Month, a meaningful time to reaffirm our mission and celebrate those, like the Pontikes, who consistently put children and families first.

Attendees will enjoy a reception, hear from special speakers, and see the refreshed headquarters during a special building tour. Speakers and special guests are to be announced. RSVPs are encouraged.
